GOLF

The South-West of Ireland is a golfer’s paradise, and here at Sheen Falls Lodge, we are surrounded by countless exceptional courses that rank among the world’s greatest. If you have arrived ready to play, you will be spoilt for choice.

Located only five miles from Sheen Falls Lodge, our sister property, the Ring of Kerry Golf Club, offers guests the opportunity to experience a true Irish golfing hidden gem. Overlooking beautiful Kenmare Bay, the course nestles between the towering MacGillycuddy Reeks and the Cahaba Mountains in a stunning setting.

Matching the spectacular views, the course equally provides golfers with a unique heathland and parkland experience blending sweeping diverse terrain and winding mature tree-lined fairways. Feature holes include the testing 6th hole, “Ladies View”, due to its scenic splendour with a tee shot that is surely the most breath taking in Ireland. On the back nine, the par four 14th requires a second shot through a stunning avenue of trees.

Off course, the recently refurbished clubhouse is the perfect spot to soak up the stunning views while enjoying a coffee, a pint or delicious fare from the Nua Vista bar and restaurant.

Hotel guests avail of a 15% discount off the green fees.

**THE RING OF KERRY GOLF CLUB:
PARKLAND, 18 HOLES, 6,923 YARDS, PAR 72.**

FISHING

Many say fishing in Ireland is better than anywhere else, and here at Sheen Falls Lodge the connection runs strong, where a fishing lodge stood on these grounds for hundreds of years. With this centuries long connection to these lands, you won't be surprised to learn we have the exclusive fishing rights for the river Sheen, the river and waterfalls that lend their name to our Five-Star Hotel.

Our resident ghillie is on hand to share his wealth of experience and local knowledge, he can arrange guiding, equipment and licenses. Any fish caught can be brought back to the lodge where our Executive Chef will happily cook or smoke the fish in the lodge's very own smoke house!
