### Sheen Falls Lodge, Co Kerry

BARRYMURPHY.EU

Kerry isn't short of luxurious country escapes and Sheen Falls has long been hailed as one of its best. Staying here is a reminder that the classics endure for a reason. You're never far from a crackling fire or a squishy sofa, rooms are unfussy with nods to tradition: tweed fabrics, mid-century furniture and marble bathrooms. Service is cheerful, considered but never over the top and you have views of Sheen "falls" from the hotel's many vantage points.
